

About **Kanak Kr Jain** LUTCF(IN) CFP^{CM}

Kanak started his Career as an article clerk on 3rd September 1995 with Price Waterhouse in Kolkata. After completing his Chartered Accountancy Inter and appearing for CA final five times, he left Price Waterhouse Coopers in January 2001 as a management trainee. Extremely difficult financial conditions and the insatiable urge to make it big in life, made him dedicate himself to Sales and Marketing. Being a phenomenally successful salesman throughout his career, his focus always remained on people development.

Kanak joined ICICI Prudential Life Insurance Company Limited on 13th March 2001 as a financial advisor. He then qualified for Star Club – International for the year 2002,2003,2004 and 2005.He also joined Prudential ICICI Mutual Fund in September 2001 and there after qualified for zonal and Prudential ICICI Chairman Awards. Kanak became the Agency Champion of ICICI Prudential Life Insurance and Agency Manager of Prudential ICICI Mutual Fund in July 2003. Since then he is one of the most successful Manager in Prudential.

Life for Kanak took a turn when he met his first mentor Mr. Raghunath Murty. It was in the year 2002 he met this person who was insurance and a mutual fund advisor in Malaysia. This was a meeting for all the 1st Star Club qualifiers of ICICI Prudential Life Insurance in Singapore. Raghu's story motivated him and he promised to himself to be like him one day. After that it was never looking back. With no office and no employees today kanak has four offices and a team of 14 employees working for Suskan Consultants Private Limited.

Then he met his second mentor Mr. Santosh Nair. The energy and the life changing spirit of Mr. Santosh Nair has inspired Kanak in the deep core of his heart. All these years, Kanak has been working as a Certified Financial Planner. But beyond financial planning, imparting financial literacy to the people has become his ultimate goal. Kanak is people-centered, believes in building leaders for tomorrow. He is a voracious reader himself, a strong proponent of physical fitness & listens to energy filled music. He is a lover of nature, arts and people above all. Training for him is a passion and a way of life. To put it in his own words; "My mission in life is to ensure growth of at least one human-being everyday through financial planning, literacy and education!"
